# STRAIGHT HEATS DECIDE.

Grand Circuit Meet at Narragansett  
Park Opens, and Record Smashed.

PROVIDENCE, R. I., Aug. 29.—Four  
thousand persons attended the opening of  
the grand circuit meeting in Narragan-  
sett park today. While all of the events  
were decided in straight heats, most of  
them were exceedingly interesting. One  
world's record was smashed, the pacing  
record for mares without a pacemaker in  
front. Daniel, the handsome little mare  
owned by C. H. Chapin of Rochester, N. Y.,  
lowered her own record of 2:03 1/4 by  
half a second. After a false start, the  
word was given and she went to the quar-  
ter pole in 21 seconds. The next quarter  
she increased her speed so that she  
reached the half in 1:04 1/4. At the three-  
quarters the watches clicked at 1:25 1/4.  
Without apparent effort she maintained  
her speed to the wire, the final quarter  
being made in 30 1/2 and the while in 2:03.  
Summary:  
215 trot, purse \$200, three in five heats—  
Aristo won three straight heats in 2:12,  
2:10 1/4, 2:12 1/4. John Mac, The General,  
Horseapple and His Boy also started.  
206 pace, purse \$150, two in three heats—  
Nathan Strauss won two straight heats,  
each in 2:08 1/4. Andros, Bocanda, Frank  
Yokum, Suffert and Cascade also started.  
216 trot, purse \$100, two in three heats—  
Monroe won two straight heats in 2:12 1/4,  
2:10 1/4. Thornboy, Aloy, Lady Patchie,  
Morm, Jermoluker, Lady K, Midnight,  
Kent and Ruth M also started.  
220 pace, purse \$200, three in five—  
Morning Star won three straight heats in  
2:05 1/4, 2:05 1/4, 2:07 1/4. Winnie King also  
started.  
218 heat 2:05 1/4, pacing world's record for  
mares without pacemaker in front—Daniel  
won. Time, 2:02 1/4.

# GETTING READY FOR BIG FIGHT

## Nelson and Herrera Hard at Work.

Contest Takes Place in Butte  
on Next Monday  
Evening.

Purse Is \$9500, the Largest Ever  
Offered in History of the  
Northwest.

Special to The Tribune.

BUTTE, Mont., Aug. 29.—Stake money  
and forfeits have been posted with the  
sporting editor of the Miner and the last  
knot tied to bind the match between  
Aurelio Herrera, the Mexican, and "Bat-  
tling" Nelson, before the Montana Ath-  
letic club in the big arena in this city on  
September 5, Labor day. W. S. Nolan,  
manager of the club, J. W. Woods for  
Herrera and Ted Murphy for Nelson post-  
ed their money to bind the match. The  
club posted \$5000, the amount of the purse  
guaranteed, Herrera and Nelson each \$500  
as forfeits.

Is a Large Purse.

The purse offered the lightweights is the  
largest in the history of the Northwest,  
one that will compare favorably with the  
largest ever offered when the fact is taken  
into consideration that Butte has a popu-  
lation of only about 6000.

New Rule Inserted.

In the articles signed for the Herrera-  
Nelson bout is the insertion of rule of  
Marquis of Queensberry rules, which  
stipulates that upon a man being knocked  
down or slipping to the floor, his opponent  
shall retire to his corner and remain there  
until the man gets up, provided he does  
so within the time limit.

Removes Disputed Contention.

The insertion of this clause will remove  
a much-discussed and disputed contention  
among ring followers. It has been the  
practice of referees to allow a contestant  
to stand over his fallen foe and to get at  
him as soon as he rises, and often the  
referee has been compelled to hold the  
aggressor back with one hand while he  
counted with the other. In the Herrera-  
Nelson bout the referee will not do this,  
and if the man on his feet fails to obey  
the articles he stands a chance of being  
disqualified.

Not Heretofore Observed.

This clause was not observed in the Her-  
ra-Nelson contest at Anacosta, and was  
the subject of much dissatisfaction as  
Long stood within three feet of Herrera  
and knocked him out as soon as he arose  
from the floor. This was again violated in  
the Gardner-Jeffords bout, but the referee  
was merely following out the accepted  
idea of the rule. This time the rule in its  
entirety unabridged will given.

Nelson Hard at Work.

Battling Nelson is hard at work train-  
ing at Gregson Springs, a popular resort  
twelve miles west of Butte. The Dane's  
chief form of exercise is to tramp with  
his trainer and assistants ten or twelve  
miles during the cool of the forenoon. He  
believes, it is necessary that he may be-  
come properly acclimated. The moun-  
tain weight-lifter is taking a wide rest  
down a rest and then a go at the punch-  
ing bag, after which he indulges in six  
rounds of boxing. He is also working on  
the Gardner-Jeffords bout, but the referee  
was merely following out the accepted  
idea of the rule. This time the rule in its  
entirety unabridged will given.

Devoid of Fancy Features.

Nelson's gymnasium work is so devoid of  
fancy features as to convey the idea that  
he is lacking in earnestness, though his  
toughness and durability are such as to  
call forth expressions of admiration from  
the crowd of spectators at his training  
quarters. Nelson appears to be practi-  
cally tireless in his training.

Herrera's Headquarters.

The Mexican's quarters are located prac-  
tically within Butte, in the vicinity of the  
Olympic brewery. He has a wide, airy  
apartment wholly in pursuance of his sparring  
partner, Maurice Thompson, a well known  
fighter. Herrera is taking a wide rest  
down a rest and then a go at the punch-  
ing bag, after which he indulges in six  
rounds of boxing. He is also working on  
the Gardner-Jeffords bout, but the referee  
was merely following out the accepted  
idea of the rule. This time the rule in its  
entirety unabridged will given.

# SUMMONS NOT QUASHED.

Court in Denver Overrules Motion in  
Phipps Divorce Case.

DENVER, Colo., Aug. 29.—Judge  
John I. Mullins, in the District court,  
today overruled the motion of counsel  
for Mrs. Genevieve C. Phipps to quash  
the summons served on her in the suit of  
her husband, Lawrence C. Phipps, for  
divorce.  
The summons was attacked on the  
ground that the jurat to the notary's at-  
test bore no seal and for the further  
reason that service had not been made  
by a properly delegated deputy sheriff.  
Mrs. Phipps was given five days in  
which to demur to the complaint or  
fifteen days in which to answer the  
charges made by her husband.

Has Audience With Pope.

PARIS, Aug. 29.—Monsieur Geay,  
bishop of Laval, one of the recalcitrants,  
whose refusal to go to Rome brought on  
the recent rupture of relations be-  
tween France and the Vatican, recently  
departed for Rome incognito for the  
purpose of submitting himself to the  
Vatican. He has already seen the Pope  
and the papal secretary of state, Car-  
dinal Merry Del Val.

# PENCE'S GALL STILL INTACT

Remarkable Telegram  
to Gov. Wells.

Asks the Executive to  
Arrange a Dinner  
Party.

Gov. Wells Replies That He Has No  
Time Nor Inclination to  
Do So.

Gov. Heber M. Wells yesterday re-  
ceived the following remarkable tele-  
gram:

"Portland, Or., Aug. 29, 1904.—Gov.  
Wells, Salt Lake City.—With due  
and proper respect I ask you to get Don  
Porter, John Derr, Childs, Houghton,  
and a few other thoroughbreds to dine  
with me at the Kenyon next Wednes-  
day evening. LAPE PENCE."

The Governor's Reply.

To this the Governor sent the follow-  
ing reply:  
"Salt Lake City, Aug. 29, 1904.—Hon.  
Lape Pence, Portland, Or.—With all  
proper courtesy I beg to advise you that  
I have neither time nor disposition to  
arrange your dinner."

"HEBER M. WELLS."

The gall displayed by Pence, in so ad-  
dressing the Governor, is almost para-  
mounting to all who heard the exchange of  
compliments between the Governor and  
the man who manipulated the late  
American Mining congress in the in-  
terest of Denver. It is taken as throw-  
ing of opinion here as to the man's man-  
ner and physical condition at the time he  
sent the telegram.

Saved by a Technicality.

It was found by the District Attorney  
that Pence could not be extradited on  
account of the offense of having cashed  
at the Kenyon hotel in this city a  
check for \$80 on a bank in which he  
had no funds. The reason for this was  
that something over \$40 of the amount  
was represented by credit already ob-  
tained, so that the crime could not be  
proved. Pence was taken to the jail and  
physical condition at the time he  
sent the telegram.

SENATOR HOAR'S CONDITION.

It Remains Unchanged, and There Is  
No Gain in Strength.

WORCESTER, Mass., Aug. 29.—The  
following bulletin was issued from the  
home of Senator Hoar tonight: "Senator  
Hoar has had a comfortable day. He  
has taken his nourishment regularly  
and has spent the day sleeping quietly  
or talking with members of his family.  
Beginning early in the morning with a  
splendid vase of sunflowers sent in by  
a neighbor, the Senator has had mes-  
sages and flowers from a very large  
number of friends. These remem-  
brances upon his birthday have been to  
him a source of great comfort. His  
condition remains unchanged, and  
there is no gain in his strength."

Treasury Balances.

WASHINGTON, Aug. 29.—Today's state-  
ment of the treasury balances in the gen-  
eral fund, exclusive of the \$10,000,000 gold  
loan, shows: Available cash balance, \$15,734,  
612; gold, \$46,545,623.

Dies of Plague on Captic.

SAN FRANCISCO, Aug. 29.—The steam-  
er Captic, which arrived today from the  
Orient, was sent to the quarantine station,  
because a Korean passenger had died of  
the plague during the voyage.

Poor Catch of Salmon.

SAN FRANCISCO, Aug. 29.—The steam-  
er Expansion, which returned from the  
North today, reports that the salmon  
catch on the Eureka river was a failure.  
The North Alaska Salmon company se-  
cured 7300 cases and the Alaska packers  
only 200. The reason assigned for the  
poor catch is that the ice was heavy.

Treasure From Australia.

SAN FRANCISCO, Aug. 29.—The steam-  
er Captic, which arrived today from Aus-  
tralia and New Zealand, brought 120,000  
in treasure. She did not stop at the Sa-  
man island, owing to the rough weather  
prevailing off the harbor of Pago Pago.

# OLYMPIC GAMES ARE REVIVED

## Athletes Many Nations Meet on Field.

First Day's Events in Re-  
vival of Classic Games  
Lower Records.

Old World Athletes Meet Those in  
the New, and Interesting  
Contests Follow.

ST. LOUIS, Aug. 29.—One world's  
record was broken, two Olympic re-  
cords were lowered and one Olympic  
record was equalled as results of the  
first day's events in the Louisiana  
Purchase exposition revival of the fa-  
mous athletic classics, the Olympic  
games. Athletes from many Nations  
met the pick of American sprinters,  
jumpers, distance and weight men in  
the first events of the card that will  
furnish entertainment to the lovers of  
sport next week. There were also  
four handicap events that resulted in  
more even competition and gave sev-  
eral close finishes. The weather was  
fine, the attendance 5000.

A burst of cheering followed the an-  
nouncement of the time in the first heat  
of fifty meters, seven seconds, as it  
equalled the record obtained at the  
Paris revival of the Olympic games in  
1900. The second heat was also run  
in record time, as was the final.

Record Is Broken.

The first Olympic record to go was  
broken by John Flanagan of the Great-  
er New York Irish Athletic association,  
the holder. His first essay with the  
16-pound hammer resulted in a throw  
of 163 feet 1 inch, exceeding the record  
made by him in Paris by nine inches.

The standing broad jump brought out  
a field that has never been equalled in  
the history of American athletics. The  
first jump, that of C. M. King of Mc-  
Kinney, Tex., exceeded the Olympic  
record of 3-5 of an inch. Ray Ewry  
of the Olympic and world's records, fol-  
lowed, and in his first jump beat the  
Olympic record and came within two  
inches of equalling the world's record  
with a jump of 11 feet, 2 inches. King  
proved to be a consistent performer and  
on each essay did better than on his  
previous appearance. His best jump  
was 10 feet, 8 1/2 inches. This mark was  
also made by John A. Biller of Newark,  
N. J.
